Brings you the finest quality of 1121 BASMATI RICE in the world. Intense flavour and nourishment is packed into every little grain of SWORD rice, making your meal healthy and delicious. Special care has been taken to procure the best available BASMATI RICE from India's granary to give you an easy cook and hearty meal.

# Sword Platinum

We serve 1121 Basmati Rice in our Platinum Range . Rice grain of this variant of basmati rice is recorded to be the world's longest rice grain before as well as after cooking.

Specialities -

- > It has a distinctive aroma and its grains are long and slender.
- > On cooking the rice grain expands but only lengthwise, giving you long, pearly white separated fragrant rice strands.
- > It has a fine texture.
- > On cooking the grain becomes longer and fluffier than normal rice. It does bring a unique texture to savory meals.
